Jersey Central Power & Light
Instant Discounts Program

About the program

The Instant Discounts Program provides participating lighting distributors/vendors incentives for selling qualified lighting products to end users or contractors serving end users. Distributors receive incentives from JCP&L, which they pass along to customers/contractors. Instant discounts are available for existing buildings only. New construction projects are not eligible. **The minimum customer contribution for all lighting is $1.00.**

Process

1. Distributor/vendor signs up with program.
2. Distributor/vendor collects customer information as part of the sale.
3. Distributor/vendor offers instant discount on sale.
4. Distributor/vendor submits an application to the program for reimbursement.

For more information on all our offerings, visit energysaveNJ.com or contact us at 866-527-5249 or energysaveNJ@trccompanies.com.

Instant Discount projects ≤ $7,500 in incentives are required to go through Instant Discount Program. Instant Discount projects with incentives > $7,500 but < $100,000 have the option to go through either the Instant Discount or Prescriptive Program. Instant Discount projects with incentives > $100,000 require pre-approval. Please consult with a participating distributor for details.
