PECO Instant Discounts for Business Energy Upgrades

Save on energy-efficient equipment with no wait and no paperwork.

PECO Instant Discounts provide a simple, straightforward process for making energy-saving improvements to your business. There's no need to wade through paperwork. Whether you're completing your own project or working with a contractor, simply purchase from a participating distributor and save instantly on qualified equipment.

Support at every step

- Our team can help you identify potential energy efficiency upgrades to meet the needs of your business.
- Connect with participating contractors who specialize in business energy solutions.
- When it's you or your contractor purchasing equipment from a participating distributor, the incentive is applied right at the point of purchase.

Instant Discounts are available for:

- Lighting
- Compressed air systems
- HVAC
- Food service and refrigeration equipment
