Lighting Upgrades Made Easy

BUSINESS INSTANT DISCOUNTS PROGRAM

Pepco's Business Instant Discounts program makes it easy to save on select lighting purchases that immediately improve energy efficiency, with no application required.

Refresh interior and exterior spaces with lighting that saves energy. The program offers instant discounts on qualifying lighting when purchased from participating local distributors. Sales representatives are available to give personalized advice on lighting products that meet the needs of your business.

Customers can take purchases with them on the same day. They also can place an order over the phone by contacting a preferred distributor. No application or waiting period is required.

Program participants get:

- **Instant savings**—no need to bargain hunt or apply for incentives
- **Low prices**—discounts immediately apply to select lighting products
- **Quality**—a variety of premium brands and products are available to choose from
- **Convenience**—orders can ship directly to businesses

Get instant discounts.
